

TAIWAN MOUSE CLINIC

National Phenotyping
and Drug Testing Center

Dear customer,

Due to the spread of COVID-19, TMC have strengthened access control and routinely cleaned public areas. In order to protect our staff and customers, please cooperate with the following emergency measures.

- 1. All visitors are by invitation only.**
2. Please report and DO NOT entering TMC if you had travel history and back to Taiwan after 2020-03.
3. Visitors must wear a medical mask and use ethanol for disinfection before entering TMC.
4. The number of visitors is restricted to two upon each visiting. TMC are willing to host the online meeting for discussing the experiments and results.
5. Visitor will be kept out if they have fever, upper respiratory symptoms, including cough, sore throat, shortness of breath, and running nose. TMC will do our best to cooperate if our customers have to modify or cancel the scheduled services due to the home quarantine or self-isolation at home or self-management of health.

The above emergency measures will be effective from today (2020-03-23). TMC will make necessary adjustments based on the status of the Covid-19 pandemic. If you have any questions or need, please contact Dr. Ying-Ling Shen (02-77505511; ylshen@ibms.sinica.edu.tw).
